Description

Precondition:

1. The user profile has to be created
2. The event has to be created
3. The event should be joined by at least one participant

Steps to reproduce:

1. Go to <https://staging.fitofan.com/>
2. Log in as a user
3. Go to your profile
4. On the profile page choose the event from the "Events" tab at list with one participant
5. On the event page click on the settings button
6. Scroll the settings page down and click the "Delete this event" button
7. Click the "Confirm" button
8. Check the reflection of the deleted event on the "Events" tab on a profile page

AR:

- No notifications were sent to participants.

ER:

- The event was successfully deleted.
- Information about the deleted event was updated on the event tab.
- All the participants got a notification about the event changes.
