Description

Preconditions:

A user Profile has to be created

The event should be created

Steps to reproduce:

1. Go to <https://staging.fitofan.com/>
2. Log in to a user profile
3. On your profile choose the event tab
4. Choose an existing event
5. On the event page click on the settings button
6. Fulfill the field "Title" with 3 special symbols
7. On the bottom of the page click the save button

AR: The event was saved.

ER: The event can't be saved. The error message appeared.
