Description

Preconditions:

A user Profile has to be created

The event should be created

Steps to reproduce:

1. Go to <https://staging.fitofan.com/>
2. Log in to a user profile
3. On your profile choose the event tab
4. Choose an existing event
5. On the event page click on the settings button
6. Fulfill the field "Title" with 250 special symbols
7. On the bottom of the page click the save button

AR: The event was saved. The update succeeded.

ER: The event wasn't saved! The field lighted up. The message appeared that the field "Title" has a limit of 150 symbols and the text has to contain Cyrillic and Latin symbols.
